guttled. If something greatly displeases you in British English, you might say you're gutted. To American English ears, gutted calls to mind something many may indeed find displeasing: when the guts of an animal, like a fish, have been removed for cooking. But, in the UK, gutted isn't so fishy. It means "very upset" or "disappointed."

In the early 18th century, English spelling was inconsistent. These differences became noticeable after the publishing of influential dictionaries. Today's British English spellings mostly follow Johnson's A Dictionary of the English Language (1755), while many American English spellings follow Webster's An American Dictionary of the English Language ("ADEL", "Webster's Dictionary", 1828).

Ace - If something is ace it is awesome. I used to hear it a lot in Liverpool. Kids thought all cool stuff was ace, or brill. Aggro - Short for aggravation, it's the sort of thing you might expect at a football match. In other words - trouble! There is sometimes aggro in the cities after the pubs shut!
