### **Divorce Without Permission**

In the past, both spouses had to agree to a divorce in some circumstances. This could delay a divorce or make it complicated. Some people still believe that this is the case. However, you can get a divorce without the consent of your spouse in every state. Contrary to the myth, one spouse's lack of consent does ...

### **How to Get a Divorce Without Spouse Consent | LegalZoom ...**

The law evolved a means to obtain a divorce almost as a remedy for damages, if a spouse could prove infidelity, abandonment, neglect, abuse or some other such cause. Today, many states have no-fault divorce where the wide leeway of "irreconcilable differences" is grounds enough for divorce, and consent of the spouse is not necessary.
