Women Empowerment Essay - 807 Words

Conference Theme Overview We all live our lives forward, facing uncertain futures, yet social scientists feel most comfortable explaining the social world through causes rooted in the past or through the constraints and resources lodged in the present. Such explanations omit an important step: both historic and structural forces are refracted through the set of [...]

Persistent racial inequality in employment, housing, and other social domains has renewed interest in the possible role of discrimination. Contemporary forms of discrimination, however, are often subtle and covert, posing problems for social scientific conceptualization and measurement.

The Sociology of Discrimination: Racial Discrimination in ...

United States labor law sets the rights and duties for employees, labor unions, and employers in the United States. Labor law's basic aim is to remedy the "inequality of bargaining power" between employees and employers, especially employers "organized in the corporate or other forms of ownership association".Over the 20th century, federal law created minimum social and economic rights, and ...
