This article will be the most helpful for everyone who wants to be successful in life. This is really a great article. I also share it with my friends. Thank You.

### **10 Tips to Achieve Anything You Want in Life - success.com**

Successful students stay focused on the task at hand. If you have to study one chapter of your history book for an hour, you need to commit to doing so instead of letting your mind wander. If you need a break, take a short 10 minute one, but don't let it run over into an hour long break with only 10 minutes of studying.

### **How to Be a Successful Student (with Pictures) - wikiHow**

Quick Summary. One way to be successful in life is by making a plan for success, starting with making a list of things that you're passionate about. You can ask a friend or family member to help you identify your interests and values, and then set specific, measurable, achievable, relevant, and time-bound goals.
