Humor and information literacy : practical techniques for ...

Most books about information literacy instruction focus too much on theory. This is a more practical approach from an author who knows a lot about humor. I met the author at a conference and was impressed. The instructional videos that he created for Coastal Carolina University (which you can see on their website) are some of the best I've seen.

discover the pleasure of funny books in families, schools and libraries. This in turn will reinforce the message. that reading together promotes family well-being, and that embracing one's sense of humor promotes. personal well-being. To draw attention to funny books as readable and enjoyable

books. We hope that the FUNNY LITERACY

Funny Literacy - Humor Month

A literacy joke is risky to tell because most people either don't care about reading and writing or won't have enough background information to understand it. Even if the audience "gets" it, chances are they'll still think the joke isn't funny. You don't need a master's degree in English to "get" a Best Literacy Joke...
