Illuminatiam | Official Website For The Illuminati

In the tenets of the Illuminati, wealth is not simply a means of personal enrichment. Instead, money is a tool that can be used to fulfill each person's duty to the advancement of the human species. Wealth and success are like streams of water running down a pyramid. The highest receive the most because there are fewer while the lowest receive the least because there are many.

Pyramid | Illuminati Symbols | Illuminati Official Website

Since the formation of the Illuminati, many citizens have inaccurately portrayed our organization in a negative manner. These misconceptions have been perpetuated for centuries through videos, photos, articles, books, and unofficial online resources claiming to understand our mission and members.
