### **Infidelity In A Relationship**

Infidelity is a violation of a couple's assumed or stated contract regarding emotional and/or sexual exclusivity. Other scholars define infidelity as a violation according to the subjective feeling that one's partner has violated a set of rules or relationship norms; this violation results in feelings of jealousy, sexual jealousy, and rivalry. What constitutes an act of infidelity depends upon the exclusivity expectations within the relationship. In marital relationships, exclusivity expectation

### **Infidelity - Wikipedia**

If you allow infidelity in your relationship it can ruin your self-esteem. When you have put your all in a relationship to find out that your partner is unfaithful it leaves you feeling broken. You might even start believing that it is your fault, and that you will not find another. I promise you it's not your fault and you can do way better.
