Sir is a formal English honorific address for men, derived from Sire in the High Middle Ages. Traditionally, as governed by law and custom, Sir is used for men titled knights i.e. of orders of chivalry, and later also to baronets, and other offices. As the female equivalent for knighthood is damehood, the suo jure female equivalent term is typically Dame. ...

Even if I have been blogging a lot about the official website of the Land Transportation Office (LTO) Philippines, still many have mistaken other sites to be the real one. In view of helping Pinoys learn what the one and only real website was and always has been, here is a short post trying to reveal the information.

This is a list of Decepticons from the Transformers fictional universe and topline. The alternate modes of Decepticons are usually military vehicles, to contrast with the civilian vehicles favored by the Autobots (see List of Autobots). (Some characters do not have an official name, or any name at all.
