12 The Middle School High Five: Strategies Can Triumph

A middle school (also known as intermediate school or junior high school, often formally lower secondary school) is an educational stage which exists in some countries, providing education between primary school and upper secondary school. The concept, regulation and classification of middle schools, as well as the ages covered, vary between, and sometimes within, countries.

Yes, students already ask us questions. But it has been my experience as both a classroom teacher for 24 years and a staff developer in schools for more than a decade that the questions kids ask typically either seek clarification on procedural matters (Which numbers are we supposed to do?); attempt to cut a deal (Can we write two paragraphs instead of three?); or try to detour the group from ...

Reading instruction does not need to stop when the bell rings. Using out-of-school time (OST) can be an effective way to boost academic skills while engaging students outside of the classroom. Education research lab McREL reviews effective afterschool and summer programs that focus on reading, and identifies the components that make them successful.

Our mission at the Eldon Middle School is to promote academic success, through a rigorous and relevant curriculum which encourages emotional and social growth, and to help develop purpose and direction in the lives of our students.

Eldon Middle School

Children who can segment and blend sounds easily are able to use this knowledge when reading and spelling. Segmenting and blending individual sounds can be difficult at the beginning. Our recommendation is to begin with segmenting and blending syllables. Once familiar with that, students will be prepared for instruction and practice with individual sounds.
