Training for SketchUp, Screenflow, Final Cut Pro, Avid Media Composer, After Effects, and Photoshop. Exporting a Still Image JPEG from Final Cut Pro If you have a particular frame or image in your Final Cut Pro video that you'd like to make into a still image or jpeg, it's a relatively simple process.

Exporting a Still Image JPEG from Final Cut Pro - GeniusDV ...

I need to do a clean install of Mac OS on my laptop and I'm currently working on some videos in final cut pro. I will not be restoring from a back-up, it's going to be a clean install. Is there a way to save the work I'm doing in final cut? This way I can continue where I left off without having to re-edit the entire video? Thanks in advance.
