The meaning of the noun substance has evolved over time, yet it has always been related to something sound and solid — from the Latin root substare, which means "to stand firm," to the Middle English definition as an "essential nature." Nowadays, we use the word to define someone who possesses honesty and intelligence, or when we examine a message to find its essence.

Goldman's assertion that screenplays are structure is actually rather modest. In fact, all narrative texts are structure, their content inseparable from their formal qualities. Facets of structure include but are not limited to such far-ranging issues as focalization, sequencing, rhythm, pacing, duration, and dramatic conflict.

Song Structure and Style "Yes It Is" follows the similar pattern to most of what The Beatles original songs followed up to this point, namely the 'verse/ verse/ bridge/ verse' structure (or aaba). Deeming an instrumental section not appropriate, they followed their usual habit of repeating the bridge and final verse which also contains a suitable conclusion.
