2013*

The International Comparative Legal Guide

The International Comparative Legal Guides provide current and practical comparative legal information on several jurisdictions in a Q&A format.

Legal Guides, Business Reports and Events | ICLG

Comparative law is the study of differences and similarities between the law (legal systems) of different countries. More specifically, it involves the study of the different legal "systems" (or "families") in existence in the world, including the common law, the civil law, socialist law, Canon law, Jewish Law, Islamic law, Hindu law, and Chinese law.

Comparative law - Wikipedia

International Law, unlike most other areas of law, has no defined area or governing body, but instead refers to the many and varied laws, rules and customs which govern, impact and deal with the legal interactions between different nations, their governments, businesses and organizations, to include their rights and responsibilities in these dealings.
