

The Organized Mind

The Organized Mind

Organized religion (or organised religion—see spelling differences), also known as institutional religion, is religion in which belief systems and rituals are systematically arranged and formally established. Organized religion is typically characterized by an official doctrine (or dogma), a hierarchical or bureaucratic leadership structure, and a codification of rules and practices

Organized religion - Wikipedia

Organize Your Day at Work. Use a notebook - One strategy that many organized people use is to work with a notebook. This notebook is like a "catch-all" for your thoughts and for what you do during the day. For instance, use your notebook to take notes when you're talking with a colleague or with a client on the phone.

The Powerful Psychology Behind Cleanliness | Psychology Today

Make a new to-do list every single day based on the previous day's list and anything that came up since the last list was created. Even if you're not a big list maker and only jot down the big projects, look at it every day and cross off what you've completed (or what you've deemed no longer relevant).
