This is a simple little worksheet for helping kids to identify the various phases of the moon and to put them in chronological order. The printable comes with a control page showing the name and picture of each moon phase in order.

Phases of the Moon Printables - Gift of Curiosity

Like marriage, divorce in the United States is under the jurisdiction of state governments, not the federal government. Divorce or "dissolution of marriage" is a legal process in which a judge or other authority dissolves the bonds of matrimony existing between two persons, thus restoring them to the status of being single and permitting them to marry other individuals.
