Tropes By Source Wikipedia

TV Tropes is a wiki that collects and expands upon descriptions and examples of various plot conventions and plot devices, more commonly known as tropes, that are found within many creative works. Since its establishment in 2004, the site has shifted focus from covering only television and film tropes to covering those in other types of media such as literature, comics, manga, video games ...

TV Tropes - Wikipedia

Fantasy tropes are a specific type of literary tropes that occur in fantasy fiction. Worldbuilding, plot, and characterization have many common conventions. Literary fantasy works operate using these tropes, while others use them in a revisionist manner, making the tropes over for various reasons such as for comic effect, and to create something fresh (a method that often generates new clichés).
