Slide Nov 01 2016 5:13 am The cast of this drama are interesting, the show started off good and then became a generic story afterwards there are a lot of question marks at the end though, like what happened to the story of Han Gyeo-Wool, and 1 episode that confused me (the Zen of Sword episode), anyway the story is not bad but at the same time not good too, but is an interesting show to watch.
