### **Home | Wedding Planning Institute**

A wedding planner is a professional who assists with the design, planning and management of a client's wedding. Weddings are significant events in people's lives and as such, couples are often willing to spend considerable amount of money to ensure that their weddings are well-organized.

### **Wedding planner - Wikipedia**

So, you're engaged (or about to be engaged, or are on a wedding researching tangent after binging Say Yes to the Dress) — whichever way, congrats! Being engaged is such an exciting time in your life — there's only so long that your significant other has the "fiancé" title instead of husband or wife, and you're going to want to enjoy every minute of it.

### **Your Ultimate 12 Month Wedding Planning Checklist | The ...**

You've seen our Instagram. Never far from a notepad, we are clearly fans of lists. And there is one area where lists are an absolute non-negotiable: wedding planning. With all the blogs, Pinterest boards, and magazines devoted to picture-perfect weddings, it's easy to get overwhelmed by it all ...

### **The 12-Month Wedding Planning Timeline - The Everygirl**

A: . The main differences between event planning and event design is that a planner focuses more on the event management side of things and the designer is focused solely on visuals. A lot of event planners end up hiring a team of designers. The planner meets with the client and maps out the entire event, i.e. invitations, timelines, booking vendors, fittings, tastings, etc.

### **Become a Certified Wedding & Event Planner**
