In a famous essay about characters in fiction, the novelist Mary McCarthy wrote, "We are the hero of our own story." I'm often reminded of this in my work, helping faculty to improve their teaching. After classroom observations, when I ask instructors how they thought it went, they naturally ...

How to Move from First-Person to Learner-Centered Teaching

A Declaration of Support for Educating The Whole Learner We know how learning happens. We're ready to do something about it. The report is in and the conclusion is clear: Children learn best when we treat them as whole people, with social and emotional as well as academic needs.

Darth Vader is a fictional character in the Star Wars franchise. He is a primary antagonist in the original trilogy, but, as Anakin Skywalker, is the main protagonist of the prequel trilogy. Star Wars creator George Lucas has collectively referred to the first six episodic films of the franchise as "the tragedy of Darth Vader.". Originally a Jedi prophesied to bring balance to the Force ...
